Tucson Gay Newsletter P.O. Box 5002, Tucson, Arizona 85703 Volume 2 Issue 4

EMPEROR BALLOTING THIS WEEK

The big night is coming next Monday January 31st. There will be five entrants running for Emperor I of the Imperial Court of the Empire of Tucson. They are, in alphabetical order, Jim Banks, Jeff Nuzum, Fernando Ochoa, Ronnie Rios and Rick Smith. One of these candidates will be crowned Emperor I of Tucson this coming Monday at Jekyll's and Hyde's.

Selection of the Emperor will be based on the following: 40% toward selection will be by a panel of judges, who will judge the candidates on their appearance, how they carry themselves and audience response to their personal presentation. They may dress any way they wish, but their dress can affect the way they are judged, and finally, a short question and answer period will be conducted to see how they are able to communicate with people. The remaining 60% of the count toward selection will be by popular vote and this, of course, is of the most importance.

The Tucson Gay Newsletter has been asked to oversee the balloting to

prevent any fraud, and to be responsible in seeing that this popular balloting is fair and equitable. There will be two members of the TGN staff at each of the bars on the nights and times indicated below. Official ballots, which have been printed, will be the only ballots acceptable. They will be handed out to any person wishing to vote for their favorite candidate. In order to prevent double voting, some sort of identification number will be required, (driver's license, student ID, social security card), no names will be used. All prospective candidates are urged to campaign and should be in these bars during the times indicated to campaign for votes

THURSDAY- 9:30-11:00 LUCKY PIERRE'S
FRIDAY- 9:30-11:00 HAIR TIZ
SATURDAY- 9:30-11:00 GRADUATE
SUNDAY - 6:30-9:00 BACK POCKET
MONDAY- 7:00-9:30 JEKYLL'S & HYDE'S

We hope the entire Gay Community of Tucson will be behind this endeavor, and get the Tucson Court established. This court will reign until Sept. and at that time and all future investitures will be held at a hotel

W E N D E E K

Even though the weather did not cooperate, this past weekend proved to be one of the most fun times seen in Tucson in weeks. The cold and rain did not dampen the spirits of anyone. Festivities started at Dale's Graduate where the Sons of Apollo and The Buddy Club, whose home base is The Ramrod in Phoenix, arrived right on schedule for a brunch presented by co-host Mitch. Later in the afternoon, a bar run was started. It was quite a sight seeing all the bikers in perfect formation, with the attendant trucks and cars, pulling into the parking lots of Jekyll's, Pierre's Back Pocket and then to Hair Tiz, where their Grand Opening was just getting underway.

It was a conservative estimate that 500 persons were in attendance at Hair Tiz to fill up on one of the largest and most delicious buffets we have seen in Tucson. Drinks, drawings and dating made this one hellaofa time, and we can say for sure that Folly and Dave's Hair Tiz is now Grandly Open.

Sunday's festivities started promptly at noon at co-host Dale's Graduate for another brunch, Bloody Mary's and Screwdrivers. Tucson's Gay Godfather George Rederus was presented with a scroll and a gold key from Mitch for his longtime help to the Gay Community in a very nice presentation made by Wes, of the Sons of "Apalo". In addition Godfather George was presented a trophy from Dale on behalf of all of the bar owners for his assistance and service to them throughout the years. A great afternoon of making new friends, renewing old friendships and General Good camaraderie. The Phoenix contingent left at 3:00 p.m. with horns blaring and a big round of applause from the large attendant Tucson Crowd. The score: Jockeys 10, Boxers 3.

GIRLS

Realizing that Tucson leaves some-thing to be desired when it comes to bars that cater to our Lesbian sisters, we rounded up Marianne while we were in Phoenix and she gave us a smattering of the latest news via telephone. It is by no means complete as to the activities, but there are three bars now operating in Phoenix that welcome Lesbian clientele and according to our reporter, they are all loads of fun and offer a great variety of events. Here is a list of the three bars and just a few of the events they offer each night.

DEAR T.G.N.
I am a Drag Queen aspiring for a sex change operation. I have wanted to be a woman ever since I can remember, from age 2 or 3. I am also a Christian and believe strongly in God. Presently, I am rather confused because of something I ran across in the Bible recently.
Deuteronomy 22:5 "The woman shall not wear that which pertaineth unto a man, neither shall a man put on a woman's garment, for all that do so are abomination unto the Lord thy God."
Deuteronomy 23:1 "He that is wounded in the stones, or hath his privy member cut off, shall not enter into the congregation of the Lord."
Now every time I go out in drag, I'm afraid I'll be hit by lightning. Can you give me any advice on this?
Need Help
Dear Miss Help:
Plastic bobby pins don't attract as much lightning as the steel ones do.

During this last week, M.C.C., Tucson was up-graded from the status of a Study Group to that of a Mission, so we are on our way, thanks to everybody.

Don't forget the Valentine's party at Hair-Tiz for the benefit of M.C.C. Tucson. That's all the spaghetti you can eat for \$2.50 including garlic bread and salad. That's February 12, from 4 to 10pm. And be sure you buy your raffle tickets. A man's watch, \$10.00 cash, and a box of Valentine candy will be given away at the big event. Tickets for the raffle are only 50¢ and are on sale now.

The G.C.S. office is rapidly becoming well established and busy at it's new location. We have been busy the last couple of weeks with court appearances, suicide prevention, formalizing procedures for our roommate referral service, and our employment counseling service.

If you have been calling 622-2324 and there has been no answer, remember that the phone is answered by volunteers and we need, right now, 8 to 10 more volunteers. If you can work in the office, call Norm Bloss at 622-2324. It will only cost you 3 hours a week.

The G.C.S. Flea Market has been re-scheduled to Saturday, February 26. We will accept donations of merchandise, new or used, at the G.C.S. office, or if you would like to rent a table, make arrangements with Doc at 622-2324.

Watch next week's issue of T.G.N. for a full page flyer about G.C.S. programs and activities.

EDITOR'S COMMENTS

In response from several members of the Phoenix Gay Community, your editors of TGN made a three day trip to Phoenix, for the purpose of including our sister city in our newsletter. We were very pleased at the grand reception we received at all of the Gay establishments in Phoenix. We visited as many places as time would allow, and were treated royally. We want to thank Dale Williams of The Connection; Ken of 21 West; Kevin of Sportsman's; Danny from Diamond Lil's; Jim of The Club Phoenix baths; Bob of Nu Towne; Marty of The Ramrod and all of the others too numerous to mention, for the fine time they showed us.

Beginning with the next weeks issue of TGN, we will have a complete Phoenix section and Gay calendar for Phoenix along with all the news that's fit to print from our sister or brother city, whichever the case may be. Jim A. and Marianne were very helpful in offering their advice in getting our Phoenix forces together for gathering news, circulating papers and handling advertising. We will certainly need help, and anyone who is interested in joining this labor of love would be more than welcome. Drop us a line and we will be in touch. We want to cover the entire Gay scene in Phoenix, so we will need several people. Please help. Let us hear from you.
